Miss Elizabeth Vermillion, of Danville, Ky.

The above picture is a likeness of Miss Elizabeth Vermillion, who won the prize at the fair for being the most beautiful young lady at the fair on the last day. The prize was a handsome brass bed worth fifty dollars and was given by E. I. March, of Lexington, Ky. Miss Vermillion is a beautiful young lady, as has been admitted by all who saw her and that includes almost every one at the fair. After the judge decided on Miss Vermillion, she was asked to ride around the fair ring so that the people might see her, so she and Hon. Joe E. Robinson were driven around the ring in an automobile, when Mr. Robinson made a very eloquent address presenting the young lady to the people at the fair.

The C. W. B. M. held their regular meeting Wednesday afternoon in the Christian church.

Garrard County has Best Ponies.

At the fair last week the pony belonging to Mr. W. J. Romans took the first premium for best turnout driven by boy or girl, pony under fourteen hands high. This pony was one of the best ones shown during the fair, nor did we see anything at the Richmond fair that could beat him. Lancaster took all three premiums in this ring. Prewitt Thompson taking second, and Glass Carrier, third. Dan Elkin also had a good bunch of ponies and landed several premiums.

JOHN G. CARLISLE

Passes Away at New York.

Another great Kentuckian passed away when Hon. John G. Carlisle died in New York last Sunday. He had been in failing health for about a year and it was generally known that his great career was fast coming to a close. He had practiced law in N. Y. since 1897. Prior to that time he was one of the most active and useful figures in State and National politics. His political career began in the Kentucky Legislature in 1859, when he was a member of the house of Representatives. He was afterward State Senator and prominent in all the democratic conventions as long as he resided in Kentucky. He was Lieutenant Governor of Kentucky and was afterwards elected to Congress, where he served as speaker of the House during the 48th, 49th and 50th Congresses. In 1890 he was elected to the Senate to fill the unexpired term of Hon. James B. Beck. Mr. Carlisle served faithfully and well as Senator and on account of his great ability. President Cleveland selected him as a member of his cabinet and made him Secretary of the Treasury. During the various presidential administrations, different cabinet positions have been deemed the most important, but during the last administration of President Cleveland the secretaryship held by far the most terrible panic that it has ever experienced and financial disaster was all about. During this trying time Mr. Carlisle displayed his greatest business judgment and state-manship and maintained the financial honor and integrity of the great nation, which he so faithfully served. His memory will live in history as one of Kentucky's greatest sons and one of the nation's greatest statesmen.

Want use of old Bridge.

A move is on to try and get the Cincinnati Southern railroad to co-operate with Jessamine and Mercer counties in an effort to convert the old railroad bridge at High Bridge into a bridge for vehicles and automobiles. The new railroad bridge is being rapidly constructed and the old structure could be easily transformed into a public vehicle bridge to take the place of the old ferry line now in use at that point.

Announcement Party.

A very pleasant social affair was the party given by Mrs. J. A. Amos on Thursday from five to six to announce the wedding of Mrs. Mary Frisbie and Mr. H. T. Logan on August 17. Quiet a number of Mrs. Frisbie's friends were present on this occasion and the fair bride to be was heaped with best wishes. Refreshments were served the color scheme being pink and white and Mrs. Amos proved the ideal hostess that she has been on many occasions.

Protracted Meeting.

Elder F. M. Tindler will begin a protracted meeting at the Christian Church on next Sunday morning and will continue it for about two weeks. We hope that every one will take a great interest in this meeting and that many souls will have been brought to Christ when the meeting is closed. The singing will be extraordinarily good as besides the local singers, Mr. R. I. Spencer, of Lexington and Miss Mabel Myers, of Louisville, will be here and take part and lead the singing. Miss Myers is an exceptionally good soloist. Services will be conducted every evening at 7:30 o'clock.

LONG LIFE ENDS

Passes Away at Danville.

Mr. David Wooley Dunn, one of the oldest and best citizens of Danville, died at his home in that city last Saturday morning. His death was due to a long decline in health. The deceased was a native of our county having been born and raised near Camp Dick Robinson, and living there until he was sixty years of age when he retired and moved to Danville. He was at one time one of the leading horse-men of this section.

Mr. Dunn was twice married, his first wife being Miss Sarah Burdette, who died in 1872. His second help-mate was Miss Sophia Robinson, who survives him. From the first union were born two children, Col. I. M. Dunn, of Danville, who is well known and has many friends here and Mrs. M. S. Brughman, of Stamford. Misses Mary and Cyrena Dunn are the descendants of his second marriage. Funeral services were conducted Sunday afternoon by the Rev. J. Q. A. McDowell at the Second Presbyterian church in Danville.

TELEPHONE RATES

To be Raised if the Proposed Franchise is Sold by Council.

At the regular meeting of the city council Monday night, the committee selected by the mass meeting was not ready to report. The committee is composed of Hons. W. I. Williams, J. E. Robinson and G. B. Swinebroad. Mr. Williams is the chairman of the committee and asked the council to extend the time until the committee has time to make a thorough investigation and the time was extended until the regular meeting night in September to report.

It was stated by the chairman that his committee had been waiting upon the Fiscal Court to appoint a committee and the Court had made no appointment to date.

Councilman, H. C. Hamilton, then introduced the franchise we publish below. Mr. H. C. Hamilton spoke in favor of the franchise. Messrs Williams, Robinson and Swinebroad urged the council to take no action upon the proposed franchise until after the filing of the report of the various committees. Councilman Mount vigorously opposed the franchise stating as his principal reason that it made no limit as to the charges that might be made to the subscribers outside the city of Lancaster and that it did not fix the toll rate. Mr. W. I. Williams in addressing the council asked that the greatest care be taken in selling the franchise and urged that the Council order the franchise introduced by Mr. Hamilton be published in this paper so that the public might be advised as to the proceedings.

For this reason we publish the franchise in full and ask that the attention of the public be given to the document. On account of the great importance of this matter the editor of this paper invites such personal suggestions as any citizen might care to write him, who are sufficiently interested to give it their consideration. The franchise is as follows:

The CITY COUNCIL of the City of Lancaster, Garrard County, State of Kentucky do ordain as follows:

Sec. 1. That there is hereby created and established a franchise or privilege to erect, operate and maintain a telephone exchange, embracing cen-

tral office apparatus, poles, fixtures, cables and wire along thru, over and under the streets, sidewalks and alleys of said city of Lancaster, Ky.

Sec. 2. The said franchise or privilege shall continue for the period of twenty years from and after the time the same shall take effect.

Sec. 3. Said poles, fixtures, cables and wires shall be erected and maintained in a substantial and workmanlike manner, and shall be so located as not to interfere with the legitimate entrance to any adjacent private property, nor to obstruct the free use of said streets, sidewalks and alleys for the purpose of public travel.

Sec. 4. The purchaser of said franchise or privilege, his successors or assigns, shall promptly replace all paving and macadamizing that may be disturbed by said purchaser, in setting said poles and shall also at said purchaser's own expense, remove all dirt and debris that may arise in making excavations for that purpose.

Sec. 5. All work of setting poles shall be done under the supervision of the street committee, and it shall be the duty of said committee to see that the provisions of this ordinance are faithfully complied with.

Sec. 6. The maximum charges for telephone service in said exchange to subscribers within the city of Lancaster, Ky., shall be One Dollar and Twenty Five Cents per month for residence use; and One Dollar and Fifty Cents per month for business use, for metallic line service. The subscriber, at the above prices, is to have the right to service to all telephones that are located in said exchange.

Sec. 7. Said purchaser, his successors and assigns, shall indemnify said city from the presence of said poles, fixtures, cables and wires upon, under and along said streets, sidewalks and alleys of said city of Lancaster, Ky., or from its failure to comply with the provisions of this ordinance.

Sec. 8. Nothing in this franchise shall be construed so as to give the purchaser, his successors or assigns, any exclusive right to the privilege granted in Section 1.

Sec. 9. Within five days after the approval and publication of this ordinance it shall be the duty of the said City Council, thru its Mayor, to advertise by publication in the Central Record, the only newspaper published in the said City of Lancaster, Ky., and by posting written or printed notices in three public places in the said City of Lancaster, Ky., that bids will be received at public outcry for the before-mentioned franchise or privilege, and the said Mayor shall select and state in said publication and notices the time and place when said bids shall be received; said place to be within said City, and said time to be not later than Sept. 15, 1910; and said Mayor shall, according to said publication and notices, select the highest and best bidder, and report same to the said City Council at its next regular meeting. Said City Council shall award said franchise or privilege to the said highest and best bidder, subject however to the approval of the said City Council. Said publication and notices shall reserve the right to reject any and all bids. The bidder to whom said franchise or privilege shall be awarded shall pay for same within ten days after said award is made.

This ordinance shall take effect and be in full force from and after its passage and publication.

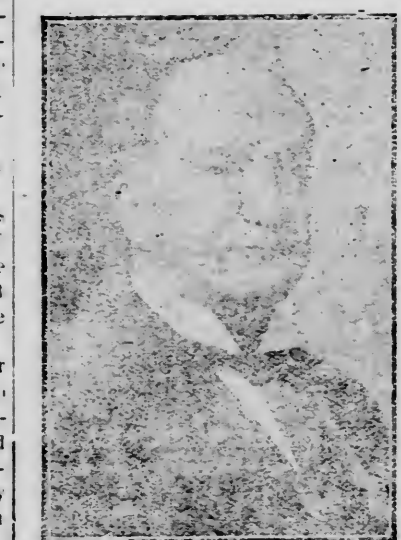

THE FAIR ASSOCIATION.

The fair given last week by the Garrard County Fair Association will be the last one to be given by the present association, and Mr. John M. Farra claims that he will not rent the grounds again at any price. There is not a doubt in our minds but that a fair is a good thing for any County when run properly as has been our fair the past five years. We must have a fair next year and a place to have it, so let's all get our heads together and find a suitable place. We think that the grounds should be just as close to town as it is possible to get. Don't send the crowd to the

country, but keep them here in town so they can see what a nice place this is. Think it over and some good people get in the game.

No More Lady Stenographers.

The Suffragettes will probably sit up and take notice, now that the Civil Service Commission has announced that no women will hereafter be examined for positions as stenographers, and that those now in the Government employ will be relieved as fast as men can be found to take their places.

Sen. Jas. B. McCreary.

Senator Jas. B. McCreary, of Richmond, Ky., made his formal announcement for Governor of Ky., on last Wednesday. It reads as follows:

"To the Democrats of Kentucky: I have received so many letters requesting me to announce that I am a candidate for Governor and so many Democrats have in person said to me that if I am nominated I will have the unanimous support of the Democrats of Kentucky, and such a large number of newspapers have published editorials suggesting and endorsing me as a proper candidate for Governor that I have decided to announce that I am a candidate for Governor subject to the action of the Democratic party."

He is sure the winner and Garrard County will go solid for him.

GARRARD COUNTY FAIR.

A Grand Success.

The fair was a grand success and we have the Fair Association who are all honorable gentlemen to thank for this week of good time and help to the people of Lancaster and Garrard Co.

There is a big expense attached to a fair so the association did not get rich, however there was no money lost, and in spite of the fact that we had rain the first two days, a large crowd was on hand. The attendance was about 1500 the first, and 4,000 each of the last two days. People from all over the State were here and had we had favorable weather conditions, it is believed that the crowd would have even surpassed the first year of our fair. It is to be hoped that the members of the present association will take part in another fair next year.

All the horsemen seemed well satisfied with the decisions of the judges and went away happy and glad that they had spent a week in our city. The list of awards is as follows:

On the next STUDEBAKER Wagon you pass on the road

Why aren't they split and cracked like the ordinary wagon? Because the ordinary wagon hub is made from oak, a wood that splits and cracks very easily, while

hubs are made from Eastern Black Birch, a very springy, tough wood, chemically treated, with great weather resisting qualities.

Western birch is used by some manufacturers, but it is even poorer than oak. It is brittle and will not stand the strain.

Studebaker hubs cost more than any other hub on the market, but they are stronger and wear longer.

BUENA VISTA

Miss Myrtle Ruble opened school here Monday. This is Miss Ruble's third term here.

Mrs. Hugh Christopher was a week end guest of relatives at Lexington and Athens.

Miss Susan Jennings is visiting the family of John Nicholas near Lawrenceburg.

Miss Kate McCann has returned to her home in Lexington after visiting her sister, Mrs. H. S. Christopher.

Miss Florence Christopher is at home from Richmond Normal.

A series of meetings will begin at Mt. Oliver, August 28th.

Owing to the recent rains but little wheat has been threshed in this vicinity. It is selling at different prices. L. H. Ruble had one field which tested No. 2 and sold for \$1.02.

The Hickory crop has been very abundant in this section. Judging from the number who came from Mercer to get berries, the crop must be very short there.

A mid week prayer meeting has been organized at Mt. Oliver, meeting every Wednesday evening.

Miss Kate Lane, of Danville, was married to Mr. Joe Tadlock, of that city. The wedding took place in Lexington. Miss Lane is the granddaughter of Mrs. Marie Lane, of this place, who with a number of other relatives extended congratulations.

Among those from a distance who attended the funeral of Miss Sallie Askins were: Mr. and Mrs. John Askins and Mrs. R. P. Ison, of McCreary, Chas. Dunning and family, of Danville, B. H. Button and wife, of Harrodsburg, Guy Stacy, wife and sister, of Jessamine.

Mr. Estridge, postmaster at Paint Lick, was in this vicinity last week enroute to his Mercer farm.

C. M. Scott, of Anderson, was with relatives here last Thursday.

Last Wednesday the community received with sad hearts the news of the death of Miss Sallie Askins, who departed from her loved ones early this morning. For several months she had been in failing health, but it was hoped by many, her life would be lengthened, but alas! He who doeth all things well, called her home.

Miss Askins was just budding into womanhood with a disposition that won her many friends. She had been a consistent member of the Presbyterian church since the age of sixteen, a regular attendant at Sunday school and Endeavor until her health prevented only a short time back.

Funeral services were conducted by her pastor, Rev. Walton. The burial office indicated the esteem in which she was held.

Struck a Rich Mine.

Mrs. Ebb Bently and children, of Cartersville, spent Sunday with relatives at this place.

Women

Women who suffer from female ailments, frequently neglect their trouble, till a general break-down follows. Don't wait till your case is as bad as that—take Cardui in time. It is a safe, reliable medicine, for all women.

Take CARDUI

Mrs. Rena Hare, of Pierce, Fla., tried Cardui and afterward wrote: "I was a sufferer from all sorts of female trouble, had pain in my side, drawing pains in my legs, could not sleep, had shortness of breath. I suffered for years, until my husband insisted on my trying Cardui. The first bottle gave me relief and now I am almost well." Try Cardui. It will help you."

An Expert's Opinion Of Skin Diseases

A prominent national expert on skin diseases whose name you are familiar with says that in all his scientific experience he has never found a harder case to conquer as Zemo.

Yet he does not hesitate to recommend Zemo as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular but also that it is a clean, it

quid remedy for external use. A great improvement over the old style, greasy salves and lotions which are not only unpleasant to use, but do not destroy the germ life that causes the disease. Zemo draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. R. E. McRoberts will gladly supply those who call with a free sample bottle of Zemo and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with Zemo.

Good News.

Many Lancaster Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Lancaster are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Mrs. Nancy A. Logan, E. Main St., Stanford, Ky., says: "I scarcely know how to express my gratitude to Doan's Kidney Pills in return for the benefit they have brought me. My back seemed to have given out entirely and at times pained me terribly. I often became so weak and lame that I was almost prostrated. I was also annoyed by a kidney weakness. Learning of Doan's Kidney Pills, I began their use and they not only relieved my backache, but restored my kidneys to a normal condition." For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. 7-29-21
